SEYMOUR, TAYLOR & Co. is the name of the new firm who have opened a hardware and oil well supply store at St Petersburg, Clarion county. This locality was little known until a few months ago, when the first oil well was struck : but now it is the centre of a large and constantly increasing population. It is reached by the Foxburgh station of the Allegheny Valley railway, from which it is about one and a half miles distant. Over fifty new rigs have been erected during the last sixty days. At this point the shove-named firm is located. They are too well known in this vicinity to need an introduction. Mosers Seymonr & Scofield, of Pleasantville, and "Cap' Taylor, formerly of Pioneer, but lately with Dame. Smith & Co, of this city compose the firm. They thoroughly un-
